Description

Magnificent set of six Limoges porcelain bread plates by Bernardaud, Ithaque Platine pattern. The Ithaque collection, created by Olivier Gagnère, blends classic tradition with modernity thanks to two details: platinum and colored cabochons around the rims of the cups and plates, and a cup handle in the shape of a horse's tail (see Bernardaud website). Diameter: 17 cm. Double rim and platinum cabochons. Perfect condition. A very elegant and timeless design! Note: Twelve presentation plates in the same pattern are for sale in a separate listing.
