Description

Magnificent set of 12 Limoges porcelain presentation plates, Bernardaud, Ithaque Platine pattern. The Ithaque collection, created by Olivier Gagnère, blends classic tradition with modernity thanks to two details: platinum and colored cabochons around the rims of the cups and plates, and a cup handle in the shape of a horse's tail (see Bernardaud website). Diameter: 30 cm. Double rim and platinum cabochons. Perfect condition. A very elegant and timeless design!
