Description

Yellow gold necklace composed of a fine curb chain with a spring ring. At the front, the gold chain holds a motif consisting of a modern brilliant-cut diamond in a bezel setting and a pear-shaped tanzanite held with prongs. Main material: 18k yellow gold (750/1000). Total weight of the tanzanite: approximately 1.25 carats. Total weight of the diamond: approximately 0.19 carats. Proportions: Width: approximately 5.8 mm, height: approximately 14 mm, thickness: approximately 3.4 mm, chain length: approximately 38.5 cm, width: approximately 1.2 mm. Net weight: approximately 3.2 g. Our opinion: Both precious and discreet, this tanzanite and diamond necklace will become your constant companion.
