Description

Mid-century mosaic mirror in resin and glass, in the style of Line Vautrin. An extraordinary decorative mirror in shades of rust red and cognac. The 4.5 cm wide frame is adorned with embossed rust red glass cubes resembling brooches and cognac-colored glass stones. These elements are inlaid in a ribbed brown resin band and an outer resin border, creating a bold yet elegant visual effect. Beautifully aged mirror glass. A jewel-like mirror with a deep, textured, and unique reflection.
