Description

Superb set of six Roemer glasses in overlay crystal by Saint-Louis, Tommy model. Representing the craftsmanship of the historic French manufacture, these glasses feature diamond cuts, almond cuts, horizontal fillets, cord motifs and pearl details on the bowl, along with a star-cut foot, the signature of this emblematic model created in 1928. Each glass is a different color: cobalt blue, green, ruby red, pink, turquoise and yellow. The set displays a harmonious palette with bright reflections, clearly visible in the photos. The Saint-Louis hallmark is present under each glass. Dimensions: o Height: approx. 19.8 cm o Diameter: approx. 8.7 cm Condition: Excellent overall condition. No chips or cracks. Clear, bright crystal in very well-preserved condition. Very light traces of use
