

Antique Washbasin In White Carrara Marble, 19th Century

850 EUR

Period : 19th century

Condition : Etat d'usage

Material : Marble

Length : 55

Width : 38

Height : 27

Description

In fact, it is an old holy water font transformed into a washbasin.

In the photos of the listing, the piece appears as it was after dismantling: the dark areas visible are merely dust deposits that will be carefully removed before delivery.

Condition: very good overall state. No notable defects, apart from the normal wear of time on a marble object used for decades as a hand-washing basin.
