

White Opaline Glass Vase In A "rice Grain" Shape, Decorated With Golden Vine Leaves.

380 EUR

Period : 19th century

Condition : Parfait état

Material : Opale

Width : 11 cm

Height : 25 cm

Description

This soft white opaline vase is a typical Napoleon III model, with its gilt bronze pomponne rim at the base and neck suggesting a vine motif. These vine leaves are accompanied, in the upper section, by turquoise opaline drops alternating with suspended branches resembling garlands.
