Description

Painting depicting a portrait of a woman, 1900A refined portrait of a young woman, painted in oil on canvas, depicts a delicate figure with an intense gaze. Her carefully modeled face reveals a luminous complexion, deep- eyes, and coral-red lips. Her dark hair is pulled back in an elegant chignon, while a sparkling earring adds a touch of light. The young woman wears a dress in warm shades of red and orange, richly textured and rendered with flowing brushstrokes. The background, composed of broad fields of color in shades of green and pink, creates a chromatic harmony that enhances the entire composition. The solid, well-preserved dark wood frame gives the painting a classic and prestigious air. Dimensions: 50 x 64 cm Ref. 572/376
