Description

Still life depicting a hare and a basket filled with straw and lilies. This painting is signed in the lower left corner by Antoine Perret, a French painter born in 1843 and who died in 1889. A very beautiful work in autumnal colors. Our painting has undergone conservative restoration, supplemented by relining on a semi-rigid reinforcing canvas. This restoration was carried out by a professional and is very well done. This artwork is sold unframed. Shipping costs within mainland France: EUR30; for other destinations, please contact us.
