Description

This 20th-century ten-light chandelier boasts a beautiful, compact silhouette, ideal for rooms with low ceilings. The gilt metal frame is adorned with rich cut crystal ornaments: drops, faceted pears, pendants, and rosettes are artfully distributed throughout. Each arm features a molded crystal bobeche topped with a faux opaline candle, providing a soft, warm light while enhancing the overall decorative charm. The central molded crystal stem extends the chandelier's harmony and lends it a refined yet understated presence. The abundance of crystal drops creates a beautiful play of light, adding brilliance and elegance to the space.
