### Description

A very beautiful polychrome Limoges porcelain vase resting on a finely crafted base enhanced with fine gold. It is decorated with three putti climbing its body amidst a foliate and floral design, in the style of the Capodimonte manufactory in Naples. Note a small chip on one flower petal, which does not detract from the overall appearance (see last photo). Our vase is marked "Hand-painted Limoges France".  
Dimensions: Height 27 cm, base diameter 12 cm.  
Shipping and handling costs EUR20 within mainland France; please contact us for other destinations.
