### Description

This openwork and chiseled bronze shuttered frame is truly original and charming. It allows you to play a game of "I love you, I don't love you." Simply insert a photo of your chosen person, and depending on the position of the shutters, they'll understand your mood of the day. Of course, you're not obliged to play this game; a photo you simply like will also look lovely! Oval dimensions: 5 x 8 cm. Shipping available in France and internationally; please contact me for details.
