

## Lalique Sculpture Dancers

580 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

### Description

A sculpture by the House of Lalique depicting a pair of nude dancers in pressed-molded and satin-finished white crystal; only the lower section, including the base, is in clear crystal. The curves are very harmonious, and the movement is rendered with great grace. Height: 26 cm. Base: 13 x 8.5 cm. Signed "Lalique France" on the edge of the base. Model created around 1950.
