

Aubusson Napoleon III Salon

2 850 EUR

Signature : Aubusson

Period : 19th century

Condition : Etat d'usage

Material : Gilted wood

Description

Beautiful Louis XVI style giltwood living room set with Aubusson tapestry, comprising three pieces: two armchairs and a sofa. Napoleon III period ; a French work circa 1870-1880. The tapestry is partially (slightly) worn (very little, but I prefer to mention it). The set is truly very decorative !
