Description

A flour box with a sliding opening and a salt box with a hinged lid and spice drawer. Hand-carved in solid walnut, they form an essential set for 19th-century Provençal kitchens. Decorative objects today, testaments to provincial craftsmanship, they resemble two small cabinets with curved sides, like a masterpiece of artisan work. In good condition, but the flour box has undergone an old repair that is not visible from the front. Height: 43 cm. Shipping available worldwide, please contact us.
