500 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Width : 50

Height : 100

Description

Beautiful antique chandelier made of solid bronze, richly decorated with genuine crystal pendants, including numerous faceted spherical drops, flowers and molded elements of fine quality. The crystal is heavy and highly refractive, characteristic of high-quality production from the late 19th / early 20th century. The bronze frame features elegant curved arms and retains a warm original patina. The chandelier is complete, with no missing crystal pendants. Only a very minor chip on one crystal element is to be noted, with no visual or structural impact. Later electrification, fully functional. Total height including chain: 90 cm. Diameter: approx. 50 cm. Materials: bronze and crystal. Period: late 19th - early 20th century. Condition: very good overall condition. An elegant and decorative chandelier,
