Description

The pieces in series 511 are among the most elegant Art Nouveau furniture ever produced by Gebrüder Thonet. Even today, the designer's identity remains unknown. Marcel Kammerer or It is certainly not Josef Hoffmann, since at that time he was accepting commissions. One of the chairs bears a trace of a Thonet label. Provenance: collection of an architect in Budapest, after a Brussels collection. The condition is good. The Thonet labels are not present on the two armchairs.
