Description

This oil on panel painting likely comes from a Dutch school and depicts an interior scene, perhaps a tavern scene. The work dates from the 19th century and is inspired by a 16th-century Flemish school. In the center, several figures are seen drinking; in the background, women are gathered around the hearth, and a dog is visible on the left. The painting is in reasonable condition, with some rubbing and craquelure. Unfortunately, there is a small chip in the paint above the central figures, visible in the photos. There is also slight rubbing to the frame. Please examine the photos carefully for a complete description of the painting's condition. Feel free to zoom in. The photos are an integral part of the description. Dimensions: - Frame: Height: 41 cm, Thickness: 5 cm, Width: 49 cm - Painting:
