Roland Tostivint (1933-2008) St-Brieuc. Son of René Tostivint. In Oran, he entered the School of Fine Arts in 1949. From 1950, he learned the craft from a Spanish ceramist, Bartolomé Jorba, a Spanish political refugee and friend of Salvador Dalí and the architect Gaudí. He then returned to St-Brieuc and became a renowned ceramist. He had his workshop on Rue Fardel from 1958. He later moved to Binic in 1968. Dimensions: 19 cm x 19 cm Height: with socket 47.5 cm / without 43 cm Reference: 500 962 All photos are available
