

Marine Relief Lithograph With A Shell Frame

150 EUR

Signature : Lopez

Period : 20th century

Condition : Bon état

Material : Paper

Length : 70 cm

Height : 57 cm

Description

Lithograph depicting a sailboat approaching the coast in rough seas. This lithograph is in relief or 3D, which accentuates the movement of the waves and brings the image to life. It is framed in wood (burlwood) surrounded by a background of seashells. Mid-20th century, good condition. 70 cm long x 57 cm high
