Description

Very elegant Louis XVI style portico clock, from the Napoleon III period. Made of white Carrara marble, it features two columns accompanied by rich and fine gilt bronze ornamentation in a floral design. The large, domed white enamel dial is decorated with floral garlands, accompanied by finely crafted gilt hands and protected by domed glass. The space between the columns is enlivened by a large and beautiful sunburst pendulum.

Original mechanism without modification. Hour and half-hour strikes on an antique bell.
