

Adjustable Floor Lamp In Patinated Iron

360 EUR

Period : 20th century

Condition : Très bon état

Material : Wrought iron

Height : 185

Description

Adjustable floor lamp in patinated iron. Several hooks on the stem allow you to change the direction, orienting it up or down. The socket is also mounted on a ball joint, allowing you to adjust the position of the lampshade and the light. Rewired, new lampshade (can be sold without).
