

Colonial Work Circa 1920. Sword Cane

280 EUR

Period : 20th century

Condition : Très bon état

Material : Bone

Length : 91 cm

Description

Using a fine European blade, a craftsman from a distant trading post in the early 20th century created this walking stick for a European. It is composed of a series of turned bone and metal rings. The blade is released by rotating the pommel, and the handle is made of hardwood. Elegant and exotic, the weapon is discreet. In good overall condition.
