symmetrically frame the keyhole escutcheon.  
The consoles rest on four  
black-toned lacquered columns with gilt bronze  
capitals and bases, standing on  
a shaped plinth. Due to their significant  
dimensions and distinctly decorative  
character, these consoles are ideal for entryways,  
corridors, and salons, as  
well as formal settings. They can be paired with  
antique furnishings or  
integrated into modern interiors.  
Some small losses to the  
veneered wooden parts are noted.
