

## Porcelain Statuette Of Cherubs And A Garland Of Flowers, Czech

200 EUR

Period : 19th century

Condition : Très bon état

Width : 13

Height : 22

### Description

A late 19th-century Czech or Russian porcelain group depicting three cherubs around a garland of flowers and a pink drape. The manufacturer's mark, the initial "M," is located under a white and gold base. The group is in very good condition despite the delicate nature of the flowers and cherubs. Careful shipping throughout Europe.
