Description

Pair of four-light silver-plated metal candelabra with a refined and harmonious design. Their curved lines and stylized central motif give them a classic and timeless appeal. Resting on small, ornate feet, they make an ideal decorative piece for a dining table, sideboard, or mantelpiece. Their glossy finish highlights the quality of their craftsmanship and adds a touch of elegance to any interior. Perfect for creating a warm atmosphere for dinners, parties, or special occasions. Features: 4-light candelabra Silver-plated metal, German made Elegant design with decorative curves Good overall condition with slight signs of wear consistent with age Decorative and functional object A beautiful decorative piece that will appeal to lovers of tableware and antique or
