### Description

Painting on canvas mounted on canvas - Lively port scene - in the style of Zuber (19th century). Tapestry/wallpaper mounted on canvas depicting a lively port scene in the style of Zuber's panoramic paintings and large French wallpapers of the early 19th century. Soft palette in pastel shades of blue-grey and ochre, typical of Neoclassical and Romantic decor. The whole directly evokes the large mural compositions produced in the 19th century: idealized landscapes, a gentle atmosphere, and immersive effects characteristic of panoramic paintings. 19th century. Please note a small piece of paper that is slightly detached but can be easily reattached. On display at the Galerie Courcelles Antiquités, 97 rue de Courcelles, in the 17th arrondissement of Paris.
