Description

This elegant antique gilded mirror with floral crest, dating from the mid-19th century, features at the top a delicate rose flower decoration. In Louis Philippe style, its sides are embellished with scrolls, acanthus leaves, and other floral ornaments, while the lower corners display additional decorative details. The frame has an original high-quality gilding. It also has an original mercury antique mirror, authentic and slightly imperfect due to the natural wear caused by age. The mirror shows signs of oxidation and small black dots, typical of antique glass, attesting to its authenticity and age. The gold leaf frame gives the antique mirror an elegant and precious appearance. Original gilding from the 19th century. This is a mirror from the mid-1800s, carefully and professionally restored,
