Width : 78cm

Description
-------------

Moonlight River Landscape, 17th Century.  
Attributed to Aert van der Neer (1603-1677).  
Large 17th-century Dutch landscape depicting  
boats on a river, oil on canvas. A vast nocturnal  
scene with cattle in the foreground, boats on the  
still, moonlit water, and a small village to the left,  
its church steeple rising above the surrounding  
houses. Presented in an antique gilt frame. Old  
label erased on the reverse. Re-lined by a  
professional. A light professional cleaning would  
restore its full brilliance. A variant of this work,  
of identical dimensions, was sold and attributed  
to Van Der Neer by Koller, Düsseldorf, in 2023,  
with established provenance. Dimensions:  
approximately 109 x 77.5 cm (framed)
