Description

Two wooden eagles, each facing in opposite directions, one still wearing its crown. Floral motifs frame their talons. Beautifully crafted, the bodies are gracefully curved and the feathers are finely rendered. Each eagle has two mounting holes. Likely Austrian, 19th century. Note: These eagles are in good overall condition. There is some old woodworm damage to the crowned eagle, as well as some minor damage and missing pieces. Please examine the photos carefully. Dimensions: Length: 20.5 to 22 cm; Height: 13 to 13.5 cm; Depth: 4 cm. Shipping within France (via tracked Colissimo) is EUR8, and EUR16 within the European Union. Please contact us for shipping to other destinations. We are happy to answer any further questions.
