## Renaissance Sgabello Chairs, Adorned With Winged Cherubs, Mascarons And Griffins.

950 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description
-------------

Magnificent and rare Sgabello hand-carved walnut parlor or entryway chairs in the Renaissance style, Victorian period (19th century). Remarkably delicate, they feature two exquisitely beautiful winged cherubs, ornate openwork scrolls, front legs in the form of panels or mascarons adorned with winged griffins, a coat of arms in the center, and exceptional visual and decorative charm.
