### Description

This silver brooch, bearing a hallmark, is typical of the Art Nouveau period around 1900. The glasswork technique is reminiscent of Lalique jewelry. It is set with small green stones and one red stone. We note significant damage with missing glass, particularly in the upper left corner, as well as a small crack. Our photos allow you to appreciate the quality of the item. For condition details, please examine the photos carefully. Do not hesitate to zoom in. The photos are an integral part of the description.
