Description

A beautiful carved bone plaque or chasse figurine depicting a praying monk or apostle, in the German Romanesque (Meuse) style. Finely carved, with intensely simple lines. Probably a decoration for a casket, to which it was secured with three nails. A splendid object, difficult to date but certainly evocative, conveying the full sentiment of an era likely far removed from it. We believe it dates to the 1870s/1880s. Dimensions: 14 x 4 x 2 cm
