Description

Here is a lovely 19th-century work, a reproduction of a 16th-century portrait of Evangelista Scappi by Francesco Francia. This oil painting was done by hand and is beautifully executed, with a skillful technique. Writing is visible on the back. Unfortunately, the painting has some mold, two small holes in the canvas, and the frame is slightly damaged. Overall, it remains presentable, but not perfect; these imperfections must be accepted. Our photos allow you to appreciate the quality of the work. For condition details, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description.
