

## Anthropomorphic Head Sculpture - Ancient Tribal Art - Early 20th Century

320 EUR

Period : 20th century

Condition : Très bon état

Material : Terracotta

Width : 17

Height : 23

### Description

Sculpture depicting a stylized human head with simplified features: pronounced eyes, nose, and mouth, with a protrusion at the top and a circular opening at the back. The surface displays an antique patina and natural crackling, attesting to its age and ritual or decorative use. Dimensions: H 23 cm and W 17 cm
