### Description

Extremely rare set of Hermes cast iron planters. Originating from the South of France, these square planters are mounted on corner feet and have two handles for easy handling, allowing you to move them as you wish. They will make your garden path a visual delight, offering the possibility of planting olive trees, lemon trees, or even creating an orangery to your liking. A pair is available; quote upon request. Shipping is by pallet only; documentation will follow as usual.
