

Dreaming Angel, French School, 19th Century

320 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Length : 35,5 x 28,5 hors cadre

Width : 42 x 39 total

Description

Dreaming Angel: A charming composition depicting an angel leaning on one arm, his face turned with a gentle, meditative expression. His golden curls and rosy wings stand out against a pale green background, in a soft and luminous palette. The work is in the 19th-century Neoclassical tradition, inspired by Renaissance and Baroque models. Presented in a carved and silvered wooden frame with an antique patina.
