RARE Officer's Clock NORMANDY HOTEL DEAUVILLE manufactured by Bayard EPA25OFF002. Clock made by Bayard for the Normandy Hotel in Deauville in the 1930s/40s. This clock graced the rooms of guests at the Normandy Hotel in Deauville. Obviously, not every French hotel could provide this type of item in a room. It was likely intended for a luxury suite. It has its original key for setting the time and winding the mainspring (two squares of different sizes). Its beveled glass is in perfect condition. This clock has been serviced by a professional and qualified watchmaker. Please note, the minute hand is not original; it has been repaired. Dimensions: approximately 11 x 8 x 7 cm. Height: 11 cm excluding the handle. The mechanism is in very good condition, with all
