Delivery: Our main warehouse is located in Montpellier, in the south of France. The majority of our stock is shipped from this location. For small items weighing less than 20 kg and with a circumference of 180 cm (W + H x 2), the package measures approximately 50 x 30 x 40 cm. Delivery takes 7 to 14 days depending on your location. Customs fees may apply to your package and are payable upon delivery. Please contact our dedicated team for more information before your purchase.

Large items to the UK and EU: These items are shipped via our own partner carriers operating between the UK, France, and Spain. We aim for a delivery time of 2 to 4 weeks. We can ship to other EU countries, but delivery times may vary. Contact us for a shipping quote.

Large Items - Overseas Delivery: We will need your full address to obtain the actual shipping cost from our partners. Once all costs are agreed, we will arrange packing and crating if required. The shipment will then be delivered to our freight forwarding partners in the UK and booked for the next journey. Delivery time can vary from 2 to 4 weeks depending on the destination. If you do not have a customs broker to handle customs duties (you may be liable for taxes on your purchase) and paperwork, our transport partners can assist you. These overseas deliveries can take between 4 and 8 weeks.

Insurance: For any shipment for which you have paid for additional insurance, in the event of damage during transit, any damage must be reported immediately to the final destination carrier and to us so that we can initiate the claims process.

Returns: In the unlikely event that you are not completely satisfied with your

purchase, please contact us within 3 days of receipt to arrange a return and refund. Returns must be made in the original packaging as received. Items must be returned in their original condition. The buyer must inform the relevant shipping company that it is a return and cover all costs.
