

Chinese Libation Cup Made Of Buffalo Horn

300 EUR

Period : 20th century

Condition : Très bon état

Material : Horn

Width : 11,5 cm

Height : 9,5 cm

Description

I am offering a Chinese libation cup made of buffalo horn, dating from the 20th century or earlier. It is decorated with scholars amidst vegetation. The horn is finely carved and honey-colored, with some areas tending towards black. With its beautiful shape, this cup is reminiscent of the highly sought-after rhinoceros horn libation cups. A must-have for any collection of Asian art.
