

Sculptural Centerpiece With Gilded Ceramic Fruits, Italy, 1980s

250 EUR

Period : 20th century

Condition : Très bon état

Material : Ceramic

Diameter : 35 environ

Description

Highly decorative Italian ceramic centerpiece, composed of a thick round bowl containing a composition of life-size fruits with stylized yet immediately recognizable forms: bananas, peaches, lemons, and apples. All elements are entirely covered with a shiny golden surface, giving the ensemble a spectacular and luxurious character.

Mark impressed in the clay: La Bottega.

Condition: Very good overall, with no restorations or breaks to report.
