

## Wrought Iron Baker's Bread Basket - Late 19th Century Work

1 350 EUR

Period : 19th century

Condition : Très bon état

Material : Wrought iron

### Description

Three-tiered baker's bread rack in patinated wrought iron, adorned with decorative scrolls and brass accents. The structure presents a beautiful balance between straight lines and arabesques, typical of refined utilitarian furniture from the late 19th century. The openwork shelves allow for the display of bread, pastries, or decorative items, while the straight uprights ensure good stability. Both functional and decorative, this piece is ideal for a kitchen, shop, exhibition space, or a vintage "workshop-boutique" setting. Dimensions: - Height: 190cm - Width: 46cm - Depth: 56cm
