

Pair Of Medici Vases In Gilt Bronze, Late 18th Century (pierre Philippe Thomire?)

3 200 EUR

Period : 18th century

Condition : Etat d'usage

Diameter : 14 cm

Height : 31.5 cm

Description

A very fine pair of Medici vases in gilt bronze, late 18th century, in the Louis XVI style. The decoration and chasing are very similar to the work of Pierre Philippe Thomire (1751-1843). The gilding is in good condition; it just needs a good cleaning.
