Description

An elegant female portrait dated 1829, depicting a woman seated in three-quarter view, wearing a dark dress adorned with a wide collar of fine white lace. Her pose is poised and graceful: her right hand rests on the arm of an armchair, while a pale yellow shawl drapes over her shoulder and knees. The softly lit face is rendered with great finesse, typical of bourgeois portraits of the first third of the 19th century. Signed Dauphin and dated 1829.
