

Decorated Music Box, 19th Century

1 450 EUR

Period : 19th century

Condition : Bon état

Description

This is the first time we've seen this! A very pretty English jewelry box that plays a melody when opened. It's an English jewelry box dating from around 1820-1860. It's equipped with a built-in Swiss mechanism. When the box is opened, a small pin detects the opening and the music starts playing. Underneath the box is a button for winding it up. If you're interested, feel free to send us a message so we can send you a video with sound. Dimensions: 26 cm L x 18 cm D x 13 cm H
