

## Large Copper Vase - First Half Of The 20th Century

600 EUR

Signature : M. Züfle

Period : 20th century

Condition : En l'etat

Material : Copper

Height : 63 cm

### Description

An elegant copper vase with an ovoid body and slender neck, crafted with vertical facets that lend it a sculptural air. The deliberately refined form evokes late Art Deco or modernist influences, with the hammering work revealing the artisan's hand. The copper has a beautiful natural patina, with traces of oxidation and wear consistent with its age. A striking decorative piece, ideal for both contemporary and classic interiors. Height: 63 cm. Condition: Good overall condition, original patina, minor traces of verdigris. The neck is very slightly deformed in one spot. Period: First half of the 20th century. Material: Hammered copper
