Napoléon III period Perfect condition
Onyx interior, All Sides with gilding bronze perfect condition of ONYX
Onyx is a variety of agate, which is itself a variety of chalcedony. Onyx was widely used in antiquity for engraving cameos and intaglios; it is still used today as an ornamental stone and decorative object. This stone helps stabilize emotions and strengthen self-control. It is beneficial for calming impulsive temperaments. It is used for its ability to bring clarity of mind, purify energy, and strengthen inner strength.
