### Description

A snack in a bourgeois interior, hyper-realistic in this atypical composition of a country-style meal tray: dry sausage, bread, a bottle of wine in its waiter's basket with its satin ribbon, the very realistic oranges that seem to leap out of the painting, and the precision of the paintwork on the furniture in the background... the caning of the chairs, the gilded wooden frame. The painting is dated 1955 and signed with two MMs. The painting is in good condition.
