### Description

A very beautiful and large porch or patio lantern. Superb period ironwork, seamless and screw-mounted. Original leaded stained glass with magnificent faceted star-shaped cabochons. Stunning acanthus leaves and eight striking double-sided flowers add magnificence to this ironwork. It is painted in its original gray color, highlighted with gold on the leaves and flowers. The wiring is new and the lantern has been repainted to match the original finish. A magnificent piece whose exceptional quality of ironwork and stained glass will lend a truly charming character to the home it illuminates. Shipping costs outside France: quote upon request.
