### Description

A burgundy lacquered wood chest of drawers by designer Paco Rabanne (1934-2023). The front opens with three drawers. Brass handles are monogrammed with the designer's logo. Circa 1970. Very good condition with some minor signs of wear consistent with age. All reflections on the lacquer are due to the piece. Dimensions: H 75 W 87 D 47 cm. Paco Rabanne is primarily known for his work in the fashion industry, but he also explored other artistic fields, including furniture design. In the 1960s, Rabanne created a collection of experimental furniture using materials such as lacquered wood, brass, and agate. His furniture designs were often inspired by his futuristic and innovative aesthetic, employing bold geometric shapes and unconventional materials. His furniture was
